Berlin, April 4th 2017

Reference

CMC-Kuhnke being a company selling complex technical products, we need a competent translation office, which will provide translations in the quality and precision we require. I am very satisfied with the work from BTD Services, which was completed in a timely manner and high quality. Their responsiveness, flexibility and customer-orientation also contribute to the positive experience we have working with BTD Services.

Best regards

Sophia Gütermann
Product Manager
